

KINDNESS adventure™

assembly information

summary

The Kindness Adventure is a live 45 minute, school assembly for grades K-6. The performer will take a trip to Kenya with his initially skeptical sidekick, NED. This is where the adventure begins! Through storytelling, music and interactive videos, everyone discovers that it's the differences that make experiences and new friendships so great.

The Kindness Adventure assembly can support your initiatives for developing a positive and caring school climate. Its proactive approach aims to prevent many forms of mistreatment, including bullying, by showcasing the sense of satisfaction that takes place when a child chooses to show **kindness, respect** and **acceptance**.

program cost

The Kindness Adventure assembly is brought to your school at no cost because of our unique Pay-It Forward® program. Through this program, another school has already made it possible for us to visit your school and you can do the same for other schools. After the assembly, students will have the opportunity to purchase beaded and carved jewelry and other hand-crafted items, made by artisans in Kenya.

Each item purchased *pays it forward* in three ways:

- 1 **reminds** your students to be kind everyday
- 2 Helps send the **kindness Adventure** assembly to other schools
- 3 **provides income** for artisans in Kenya
